

30th September, 2021

Kia ora Neighbour,

We are writing to advise Fulton Hogan is carrying out asphaltting on **State Highway 1**, between Puhoi Road and Warkworth. The night works to provide a smoother ride for road users are planned between **Sunday 10th October** and **Thursday 11th November**.

Between **Sunday, 10th** and **Thursday 14th October** traffic is reduced to one lane under stop/go controls at **Pohuehue**, between **7:00 PM** and **5:00 AM**. A temporary speed limit of 30km/h will apply and delays are expected.

A full **road closure** is scheduled for **Sunday night, 17th October** between **10:00 PM** and **4:00 AM** at the **Pohuehue Viaduct**. Road users are asked to follow the detour between the **Silverdale Interchange** and **Warkworth** via **State Highway 16**. This may add up to 60 minutes to your journey (see overleaf). Those travelling between Wellsford and Auckland are encouraged to use **SH16 via Wellsford** and Auckland's central motorway junction. This route will avoid stop/go work sites on State Highway 1 between Warkworth and Wellsford planned for the same night.

Further night works are planned at **State Highway 1** around **Valerie Close** on **18th October**, **Mahurangi West Road** on **26th and 27th October**, and at **State Highway 1, Puhoi** between **31st October** and **11th November**. These works are scheduled between **7:00 PM** and **5:00 AM** under stop/go controls and a temporary speed limit of 30km/h will apply. Delays are expected. No work will take place on Friday and Saturday nights.

Emergency Services will be accommodated at all times.

If you have particular concerns during these works, or require information about the possible postponement of these works please contact Waka Kotahi, NZ Transport Agency on 0800 44 44 49.

In the event of unsuitable weather or **Covid-19 restrictions**, the road closure and associated works will be **rescheduled**. Please use the QR code below to check for any schedule change, on the [Waka Kotahi online journey planner](#).

We can appreciate there is more roadworks than usual in your neighbourhood at this time. We apologise for any inconvenience and thank you for your patience while we complete this work.

Yours Sincerely,

Northland Network Outcomes Contract
Waka Kotahi, NZ Transport Agency

...on Sunday 17th Oct to view
confirmation of Pohuehue Viaduct
Bridge closure.

1 SH1 Puhoi – Warkworth

Road closure and associated work
