

Works Notification

3 October 2022

Extended hours of works during the spring/summer season

Dear Neighbour,

The Ara Tūhono - Pūhoi to Warkworth Project will working extended hours to take advantage of the potential fine weather this spring/summer season. Work will take place across the project, between the Johnstones Hill Tunnels and the Pukerito (Northern Connection). Monday to Sunday between the hours of 6:30am and 8:00pm.

Why are we doing this?

As we head towards the completion our project, it is important that we use our time and resources wisely to meet the projects construction targets and minimise longer term disruption to the community. This includes making the most of the increased daylight hours and warmer weather.

What does this mean for you?

You may notice increased activity on site from 6:30am in some areas as our team prepares for the day ahead. We will be monitoring noise levels throughout the season to ensure we minimise disruption to our neighbours and to ensure compliance with our consent conditions.

If we are planning on working later than 8:00pm in an area near you, we will update you via email in advance of the works.

**We've highlighted in blue the area we will be working in*

Thank you for your patience and understanding while we get this important work done. If you have any questions or concerns about the works, please don't hesitate to contact our communications team via email: info@nx2group.com or our 24/7 freephone: 0508 P2WK INFO (0508 7295 4636) if you have any questions.

Warm regards,

Stakeholder & Communications Team
Fletcher/Acciona Joint Venture on behalf of NX2
