

Works Notification

7 June 2022

State Highway 1 road closure – Silverdale to Pūhoi

Kia ora neighbour,

We are writing to let you know about an upcoming full motorway closure on State Highway 1 (SH1) from Silverdale to Pūhoi.

Details of the upcoming works

On **Sunday 12 June**, SH1 will be closed between Silverdale and Pūhoi from 9:00pm – 5am, as we form the second stage of the new road layout. A detour will be in place from Silverdale via Hibiscus Coast Highway.

From **Monday 13 June 2022**, northbound and southbound SH1 traffic will join Hibiscus Coast Highway traffic on the new motorway alignment. Traffic heading north will exit from the Johnstone Hill Tunnels and seamlessly merge onto the viaduct. SH1 traffic heading south towards the tunnels will merge onto the new on-ramp, just after Pūhoi Road (See map of new layout below).

Should any of the above work be delayed due to weather or unforeseen circumstances, they will be rescheduled to the next available night.

What this means for you

You may experience longer travel times while this work takes place, we advise planning ahead by allowing extra travel time especially during the weekend and public holidays. To help plan for peak time travel, visit the Waka Kotahi NZ Transport Agency journey planner at <https://www.journeys.nzta.govt.nz>

If you have queries about these works or the Ara Tūhono – Pūhoi to Warkworth project, please contact us on 0508 P2WK INFO (0508 7295 4636) or at info@nx2group.com.
